

# Berlin practical facts.

## Getting there.

The bus leaves from DGI-Byen at Ingerslevsgade in Copenhagen 0615. It is just behind the Central Station.

Look at this map from Google Maps [http://maps.google.se/maps?f=q&source=s\\_q&hl=sv&geocode=&q=DGI-byen&sll=55.670929,12.569582&sspn=0.005833,0.018947&gl=se&ie=UTF8&ll=55.671075,12.569196&spn=0.00553,0.018947&z=16](http://maps.google.se/maps?f=q&source=s_q&hl=sv&geocode=&q=DGI-byen&sll=55.670929,12.569582&sspn=0.005833,0.018947&gl=se&ie=UTF8&ll=55.671075,12.569196&spn=0.00553,0.018947&z=16)

Stefan and I are leaving MALMÖ C 0502. The same train leaves Malmö Svågertorp at 0511.

We are travelling with **Eurolines Bus** Company and we are estimated to arrive in Berlin at 1400.

## The Hotel.

We are staying at **Hotel-Pension Gribnitz**, Kaiserdamm 82 Tel: 004930-308 20 716 Fax: 004930-302 85 29.

It is situated just by Berlin Messe and the International Bus station in Berlin.

## Good things to pack.

Shoes that you can walk in. We will be on foot the entire days so avoid the high heels...

A backpacker to have a jacket, a bottle of water, your camera etc in. We will use the public transports and loose things in open pockets attract pick-pockets.

Something to eat on the way to Berlin, the ferry Gedser-Rostock is ridiculously expensive.

The weather looks like it will be fine, around 20 degrees C and partly clouded. We will spend many hours outdoor. It will be a bit chilly in the morning though.

## Going home.

We head back on Friday morning 0700, we are estimated to arrive at 1430 in Copenhagen, and Lund around 1700.

**For emergencies:** my mobile will be on the entire trip, phone nr 0705781192.
