

## Conflicts and aims 1870 - 1913.

I want you to work in small groups of 4 students. You should each represent of the European superpowers during this period from the list below.

- Group nr 1. Great Britain.
- Group nr 2. France.
- Group nr 3. Germany.
- Group nr 4. Russia.
- Group nr 5. Ottoman Empire (Turkey).

All groups should answer the following the questions:

1. Did your country participate in any war/s between 1870 - 1913? Make a list of the war/s.
2. What foreign political aims did your nation have to participate in the war/s?
3. How did your country change its foreign policies versus the other superpowers during 1870 - 1913.
4. Did your country stay neutral in any of the conflicts during this period? Why? Why not?

I want each group to make a written summary of your answers on no more than three pages. And I want you to make an oral presentation of your answers, no more than 15 minutes.

Hand in your written summary and be prepared to make your presentations next Friday 29 August.
